# 2010 TRADE BOOKBINDING PRICELIST

Letter-size or smaller, up to 3/4" thick. Larger quantities, thicker or oversize books by quotation.

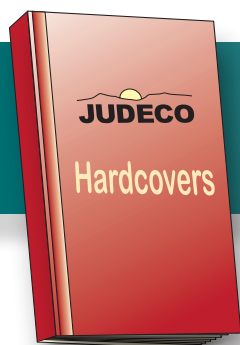

## PERFECTBIND SOFTCOVERS

\$5.00 for a single book  
\$2.50 ea for quantities up to 25  
\$1.70 ea for quantities up to 200  
\$1.50 ea for quantities up to 500

Perfectbind process includes scoring, gluing and trimming 3-sides.

Pages should be supplied to Judeco trimmed to bleed size as flat sheets with slipsheets or markers between book sets. Our process does not require grind margin at the spine. Covers supplied untrimmed on CIS according to Judeco specs.

Note: Collating, inserting, additional trimming or handwork is extra. Paper grain should run parallel to the spine. Uncoated papers work best. Adhesive will not stick to ink or varnished surfaces. Judeco will provide cover layout templates and test bind your materials to check compatibility at no charge.

## CASEBOUND HARDCOVERS

\$20.00 for a single book  
\$9.50 ea for quantities up to 25  
\$7.50 ea for quantities up to 500

Casebinding includes perfectbound and trimmed pages fastened to a custom-made casebound hardcover. Standard hardcover books include 1.3 mil gloss laminate on the outside and gloss white end sheets.

**Note:** Supplied printed covers must be on permanent stickyback label paper. Judeco will provide cover layout templates and test bind your materials (if needed) to check compatibility at no charge.

### Extras:

Leatherbound hardcovers \$9.00 ea  
Clothbound hardcovers \$3.50 ea  
Ribbon bookmarks \$.90 ea

	\$2.00	\$2.25	\$3.00
	\$2.50	\$2.75	\$4.00

KEY: 1.3 mil. or 3 mil Gloss 5 mil. Satin 10 mil. Gloss

## HOT ROLL LAMINATING

Digikote™ Laminate material is 24" wide and is formulated especially for finishing digitally-imaged materials. Our 10 mil laminate is glossy. The 5 mil has a satin finish. Work may be encapsulated or trimmed flush.

Setup	Price/inch
5 mil \$14.00	\$0.39
10 mil \$15.00	\$0.42

**\*Notes:**

Standard 48 hour service for laminating -overnight add 100%.

Prices are per piece, laminated both sides.

Includes trimming to size and round-cornersing if applicable.

Multiple or gang laminating (more than one piece on any given size): Add .30 each piece to allow for extra handling and trimming.

Other sizes/weights/quantities available by quotation.

**Disclaimer Notes:**

Laminating materials used will bond to most printed surfaces. Exceptions include heavy ink coverage, or substances other than paper.

In some instances, very tiny bubbles or other aberrations may appear on the surface of the print, due to the medium being laminated.

If in doubt about how well a material will work, Judeco will provide one free test to determine the suitability of the process to your needs.

Hot laminating is a potentially destructive process in that on very rare occasions original documents are damaged. Judeco makes every effort to protect original documents from loss, damage or destruction. If, however such a tragedy should occur, Judeco's only responsibility will be the cost of the laminating service itself and Judeco in no case shall be liable for any additional loss to the customer.
